

Session 1: June 18-22

Session 2: June 25-29

Registration will be available by May 1, 2018.

K-8 educators can earn college credits and satisfy Office of Public Instruction (OPI) renewal requirements by participating in Flathead Valley Community College's annual summer Teacher Camp.

Network with your peers while you learn best practices and take away lessons you can implement immediately in your classroom.

The compressed two-week schedule allows you to mix and match classes to earn one to four college credits in just two weeks. (Four college credits satisfies all 60 required OPI renewal requirements!)

\$90 per credit for in-district students, \$110 per credit for out-of-district students
