

## Circle of Security

Early Intervention Program for Parents & Children

At times all parents feel lost or with-out-a-clue about what their child might need. Imagine what it might feel like if you were able to make sense of what your child was really asking from you. The Circle of Security program focuses on strengthening the parent-child relationship, building a child's self-esteem, and empowering parents to use and expand upon the skills that they already have.

### **Join us on:**

**March 12, 19, 26 & April 2**

**5:30 - 8:30pm**

**\$20.00 per person for all classes**

***\$10.00 refund upon completion of all classes***

**Call 406-756-1414 to register**

There is a minimum enrollment of participants required for this class to take place. If this class is cancelled due to not meeting the minimum requirement, participants will be refunded. Participants will not be refunded if they do not show for the class. If you need to miss any of the class dates please talk with the instructor.
