

2019 Family & Group Symposium

May 18th

8:30 a.m.-4:30 p.m.

Registration begins at 8:00

Hilton Garden Inn, Bozeman

6.5

Hours of
Approved
Training

This symposium is very interactive and will focus on *Bringing the Joy Back to Teaching* and creating fun and meaningful circle times!

Jocelyn Manzanarez received her BA from the University of Montana in Music Education and her MA in Music Education from the University of Washington. She is a certified K-12 music educator in Washington state as well as a Washington S.T.A.R.S. certified trainer. Jocelyn is the author of "Circle Time Success," an early childhood music curriculum designed to teach classroom teachers how to unlock the power of music and movement at circle time and throughout the school day.

Breakfast, lunch and snacks will be provided!

Education of Young Children

Saturday, May 18th (6.5 hours of training)

8:00am-8:30am: Registration & Breakfast Provided

8:30am-11:00am: Bring the Joy Back to Teaching

With increased pressure on educators to create an academic-rich environment in early childhood, teachers are finding themselves forced to teach young children in ways they know are not developmentally appropriate. This often leads to teacher burnout because the fun factor has been eliminated for all. Don't let your passion for teaching succumb. Join Jocelyn as she shares practical ways to create a fun and learning-filled classroom where everyone thrives.

11:00am-11:15am: Break

11:15am-12:15pm: State Updates

12:15pm-1:15pm: Networking & Lunch Provided

1:15pm- 4:15pm: Circle Time Success "The Basics"

Multiage circle times can be a dreaded part of the day for many providers. Enter the great equalizer, music and movement! From transitions to lesson pacing, participants will learn 10 brain-based strategies along with 10 songs they can use immediately to keep circle times fresh, fun and full of learning.

4:15pm: Evaluations/Certificates
