

Family & Group Child Care Business Series (Zoom)

April 4th - June 6th

Raise Montana staff have been trained by national experts, All Our Kin, to lead family and group child care business owners through a 10-week online course covering everything from contracts and policies to financial management. Class will be held every Tuesday from 6pm-9pm from April 4th to June 6th, 2023. Participants will receive 34 hours of ECP credit. Click here to learn more about the series! If you have any questions or would like to talk more about the series, please contact us at info@mtchildcare.org

Princesses and Superheroes Exploring Gender in Early Childhood (Zoom)

April 12th, 6:30 - 8:30pm

This training will explore the components around healthy gender development and young children. The goal is to promote an understanding to help work to guide children's resilience and early learning. Within best practice, we will explore strategies for creating a safe and nurturing learning environment for the young children we work with.

Learn Your Color: Color Code Personality Theory (Zoom)

April 19th, 6:00-8:00pm

Come join us to learn your own 'Color Code Personality Science'! Unlike other personality tests, The Color Code not only identifies what you do but why you do it, allowing you to gain much deeper and more useful insights into what makes you and those around you tick. During this course you will learn your own Core Motives and learn strategies for interacting with the other colors. This will be a great course to take as a team, so bring your whole staff along!

June 2023

Environment: How it Impacts a Classroom

June 14th, 6:30 - 8:30pm

Infants and toddlers learn about and experience life through sensory and motor explorations. Young children touch, taste, smell, observe, and move through the world about them to make sense of it. The environment created by teachers has a tremendous impact on their development.

Pediatric First Aid CPR AED

Current First Aid and CPR cards are required for all individuals working in licensed programs. The Nurturing Center offers this course through the American Heart Association as a hybrid. Individuals will take the online course work and register for a skills session through The Nurturing Center front desk. You must complete both parts of the course to receive your completion certificate (your Pediatric/Adult CPR/FA card). You will need to complete the Pediatric CPR/FA online course, including ALL optional modules (adult CPR/AED) and then bring the completion form to their skills test. Once both components have been completed, instructors will assign the accepted card to the participant.
